

Press Release:

Jalalabad Says Thank you...

The Jalalabad Tandoori Restaurant, a family-owned and operated Indian Restaurant since 1978, with great sadness announces that *'due to unforeseen circumstances and retirement that this branch has closed its doors this week.'*

Both of the Proprietors Mr. B. and N. Islam would like to thank their loyal customers, many of whom have been frequenting the restaurant since it first opened 31 years ago.

However, it is not all sad and gloom, as some of you maybe aware that Mr N Islam (the proprietor and original head chef at Jalalabad, Ilford Lane) with his family have opened Jalalabad 2 at Newbury Park.

Mr Islam will be hosting a *"Thank you"* event in the New Year, complete with food and drink specials, as well as commemorative gifts to all the customers old and new, whether you have dined with us once or hundreds of times. Please keep in touch via www.jcuisine.co.uk or contact details below to be informed of this prestige event.

The family would also like to recognise the number of loyal customers who have been the heart of keeping the business open for the past 31 years. It's disappointing to the community to see another authentic Indian business come to an end, but the years of memories it holds for the family and the staff will not be forgotten.

Warm Regards

Mr. Islam
